

Student Success Team Referral Process

STEP 1

(Teacher identifies student)

- Teacher will request (yellow) RTI2 Monitoring Form
- Document interventions and progress (allow 6 weeks)
- If **SUCCESSFUL**, continue interventions to support student
- If desired success is **not shown** request (red) SST Folder from site case manager
- Move to next level: TRIAD Meeting

STEP 2

(Triad Meeting)

- Using conference forms provided in SST folder, conduct meeting another site representative and parent
- Review RTI2 information and progress
- Identify new intervention strategies for home and school
- Monitor progress using new strategies
- If the interventions are **SUCCESSFUL**, continue to support student

Student Success Team Referral Process

- If the desired success is **not shown**, move to next level: Formal SST Meeting
- Return completed SST Folder to site case manager to schedule formal meeting

STEP 3

(Student Success Team Meeting SST)

- Referring teacher, other grade level teachers, site administration/designee, parent, identified support staff
- Completed SST folder and Cum provided for team
- Meeting conducted with all participants' input recorded on form
- Develop interventions and strategies to be implemented for student
- Allow 6 weeks to determine progress
- If the interventions are **SUCCESSFUL**, continue to support student
- If the desired success is **not shown**, move to next level: Conference with support staff and follow up SST with special team (Includes: parents, classroom teacher, admin, and support staff if needed) THIS IS NOT A SCHEDULED TEAM MEETING.

Remember Student Success Teams are a function of General Education. VUSD has an RTI2 Plan for Academics and Behavior. These documents are available online.
