Vista Works for You - Community Update #2

March 31, 2020

Esteemed Parents, Students, Staff, and Community Members,

In addition to periodic community health alerts, we would like to leverage the power of video to highlight the efforts of our Vista Unified family during this difficult time of social distancing. We will be calling this video series "Vista Works for You." Each week, we will highlight the great work the different groups of teachers, departments, and support staff are doing to come up with creative ways to support students and families to stay safe, ensure good nutrition, continue learning, and have some fun. You can find the Vista Works for You video links archived on the main webpage as well - www.vistausd.org.
